# THE CHALLENGES

## ENTREPRENEURIAL CHALLENGES LEARNING PROGRAM

### Core Entrepreneurial Education

Promoting core entrepreneurial skills, be adaptive, innovative and able to start your own project.

### Entrepreneurial Culture

Fostering entrepreneurial thinking, open-mindedness, creativity, risk-taking, goal setting, self-initiative and culture of sustainability.

### Entrepreneurial Civic Education

Developing new ways of responsibility, citizenship and developing partnerships that are beneficial to oneself, others and the environment.

## THE EVALUATION PROTOCOL

We contribute to evidence-based public policies through implementing a randomized controlled trial methodology. Our experimentation protocol utilizes pre-, mid- and post-test evaluations of knowledge, skills and attitudes as stated in the European Key Competence Framework. The project measures entrepreneurship competencies across various European countries to indicate to educators, institutions and policy makers how to move forward in the future.
